Title: Children's Intervention Services and Children's Intervention School Services

The Centers for Medicare and Medicaid (CMS) does not recognize travel reimbursement as a separate fee for therapy services. In order to become compliant with CMS Regulations, the department can no longer reimburse \$12.00 for the travel fee for Procedure Codes Y5018, Y5032, Y5046, Y5060, Y5075 and Y5090. The department incorporated this \$12.00 fee into existing CPT Codes. Therefore, the rates for some of the Therapy CPT Codes will increase effective April 1, 2003. Providers can no longer bill the above travel codes effective April 1, 2003.

Thank you for your continued support and participation in the Medicaid Program.

Sincerely,

Georgia Department of Community Health, Division of Medical Assistance
